918 Shuttle - Official Shuttle for Rocklahoma 2019

918 Shuttle offering shuttle services from local hotels for Rocklahoma

Jenks, OK: 918 Shuttle has partnered with Rocklahoma to offer our shuttle service for participants (rawkers) of this year's Rocklahoma event May 24th – 26th, 2019.

In order to help facilitate proper planning for our shuttle routes we have created an RSVP website for this year's event. www.918Shuttle.com/rocklahoma will allow participants to let us know if they need our shuttle service from their hotel.

All prices will be released to the public beginning a few days before Rocklahoma. We will offer 1 Day Passes and 3 Day Passes and prices will vary, depending on where the shuttle is going. Currently we only offer service to hotels/motels in the Catoosa, Claremore and Pryor areas. We will have shuttle services starting as early as 9:00AM and running as long as 3:00AM for all three days. By signing up at our RSVP website, we do not guarantee service. Service is only guaranteed after it has been paid for. All payments will be made at time of departure and must be paid for with credit card or debit card via our terminal. NO CASH SALES. In addition, shuttles will only run at specific times during the day. If a patron misses a shuttle they may wait for the next shuttle to arrive.

We are looking forward to partnering with Rocklahoma. And for those who are about to rock, we salute you.

918 Shuttle: We move people. For the past 10 years 918 Shuttle has offered shuttle services to the greater Tulsa area. We strive to offer the best experience for our riders at economical prices. We offer services for any size event, group or tour.
